

PARISH FINANCE COUNCIL

*Stewards of the
financial blessings of
God, given through
parishioners*

Meetings are held approximately four times per year.

Consider how much work goes into managing the finances for a Church as large as St. Mary's. As a consultative group, it advises the Pastor on the finances of the parish, and reviews and approves the budget. It also advises in regards to possible sources of revenue for the parish.

The Council is always looking for interested persons with or without a financial background. Many of the questions facing this Committee are the same ones we all face in our individual lives.
