

STEWARDSHIP COMMITTEE

*If time and talent and money were
no object, what would
you do for God?*

**Meetings are held
at the discretion of the
Stewardship Committee**

Stewardship is an act of the heart. Everything we have is a gift from God. As His children we are accountable for the use of the gifts. In gratitude, we return to the Lord a share of our gifts of time, talent and treasure to further God's Kingdom. We give God the first portion, thus making a faith decision that responds to our Christian calling and its responsibilities.

Our job as the Stewardship Committee is two-fold: first, to educate our parishioners about all that St. Mary's has to offer; and second, to help all discover how each plays an important, valued role in the ongoing life and future of St. Mary's parish, and of the Catholic faith. How do we reach and inspire the imaginations, minds, and hearts of our parishioners?
